

REMARKS

Appreciation is expressed for the indication of allowable subject matter within the claims.

This is an Amendment After Allowance but before payment of the Issue Fee to address matters of form and syntax within the above-identified application. *No new matter has been added.*

A Petition To Accept An Unintentionally Delayed Claim Under 37 C.F.R. § 1.78 has been filed along with this Amendment. Timely consideration of this Petition and the Amendment is respectfully requested.

No changes are made which affect the scope of the allowed claims. Accordingly, entry of this Rule 312 amendment is believed to be warranted, perhaps under Order 3311.

If the Examiner has any comments or suggestions that could place this application in even better form, the Examiner is requested to telephone the undersigned attorney at the below-listed number.
